Made by the House of Assembly this day of , 2023.

Speaker.

Clerk of the House of Assembly.

OBJECTS AND REASONS

This Bill seeks to amend the Beneficial Ownership Secure Search System Act, Revised Edition 2020, and to provide for matters concerning therewith.

Clause 1 would provide for the short title, commencement and application of the Act. The amendments made to section 10 of the principal Act shall apply to all financial periods beginning on or after 1st January, 2022.

Clause 2 would amend section 2 of the principal Act by deleting and replacing the definition of “beneficial ownership secure search system”.

Clause 3 would amend section 10(3) of the principal Act to clarify terms and to improve the quality of information required to be reported in line with the Forum on Harmful Tax Practices (“FHTP”) requirements. The amendments to section 10(3) focus on subsections 10(3)(i), 10(3)(j) and 10(3)(k). In 10(3)(i) the term “type of mobile income” has been removed as mobile income is the same as relevant activity (which is already outlined in the law), entities are now required to outline their gross income in relation to the specific relevant activity and the overall gross income of the entity and clarification on the requirements for holding business. It would also provide for taxpayer identification number (“TIN”), if any; gross income in relation to the relevant activity; assets held in the course of carrying on the relevant activity; net book values of tangible assets held in the course of carrying out the relevant activity; the total number of employees of the corporate and legal entity, among other things.

Clause 4 would amend section 13 of the principal Act to include the Governor's Office as a competent authority so that information from Beneficial Ownership Secure Search System can be shared with the said office upon request.

Minister of Finance.
